Schedule of a Class

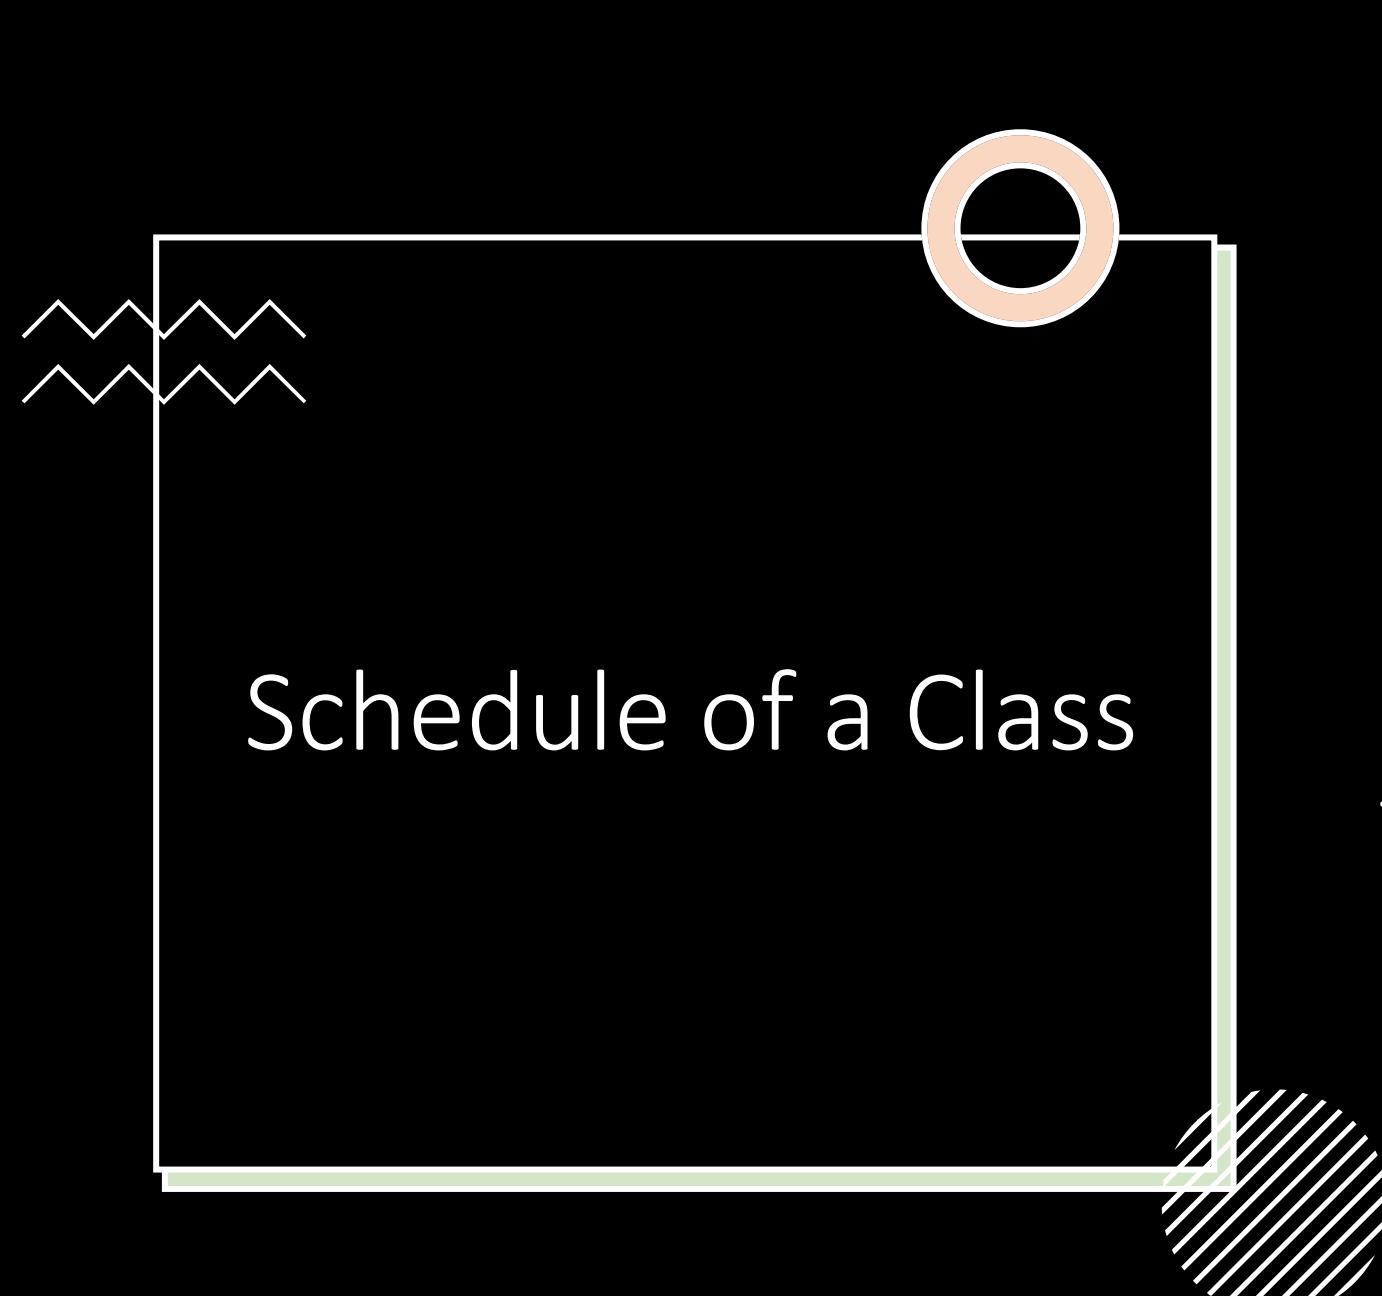

First 1/3:

Ask the student what's up

What problems they
attempted

Which ones they thought
were really close

How they felt about the
problemset

Schedule of a Class

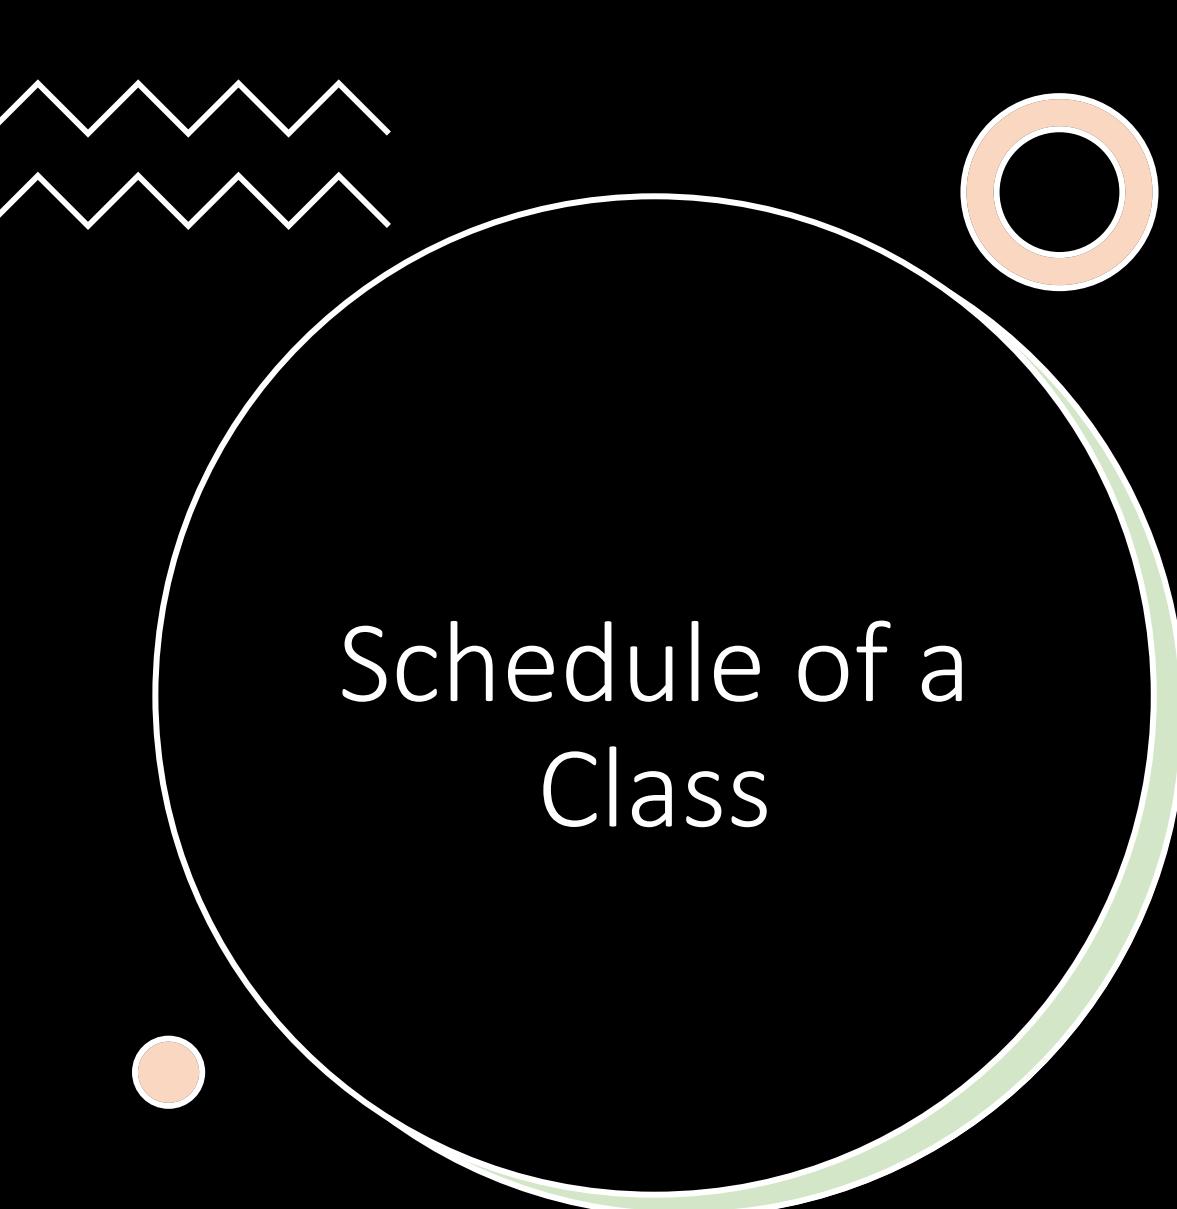

FOR 1 HOUR CLASSES, remaining class:

Go over the problems they missed

Teach concepts as necessary

Always ask the student if they have any questions

Probably ask every 10 minutes if they're silent

Schedule of a Class

FOR 2 HOUR CLASSES, 2/3:

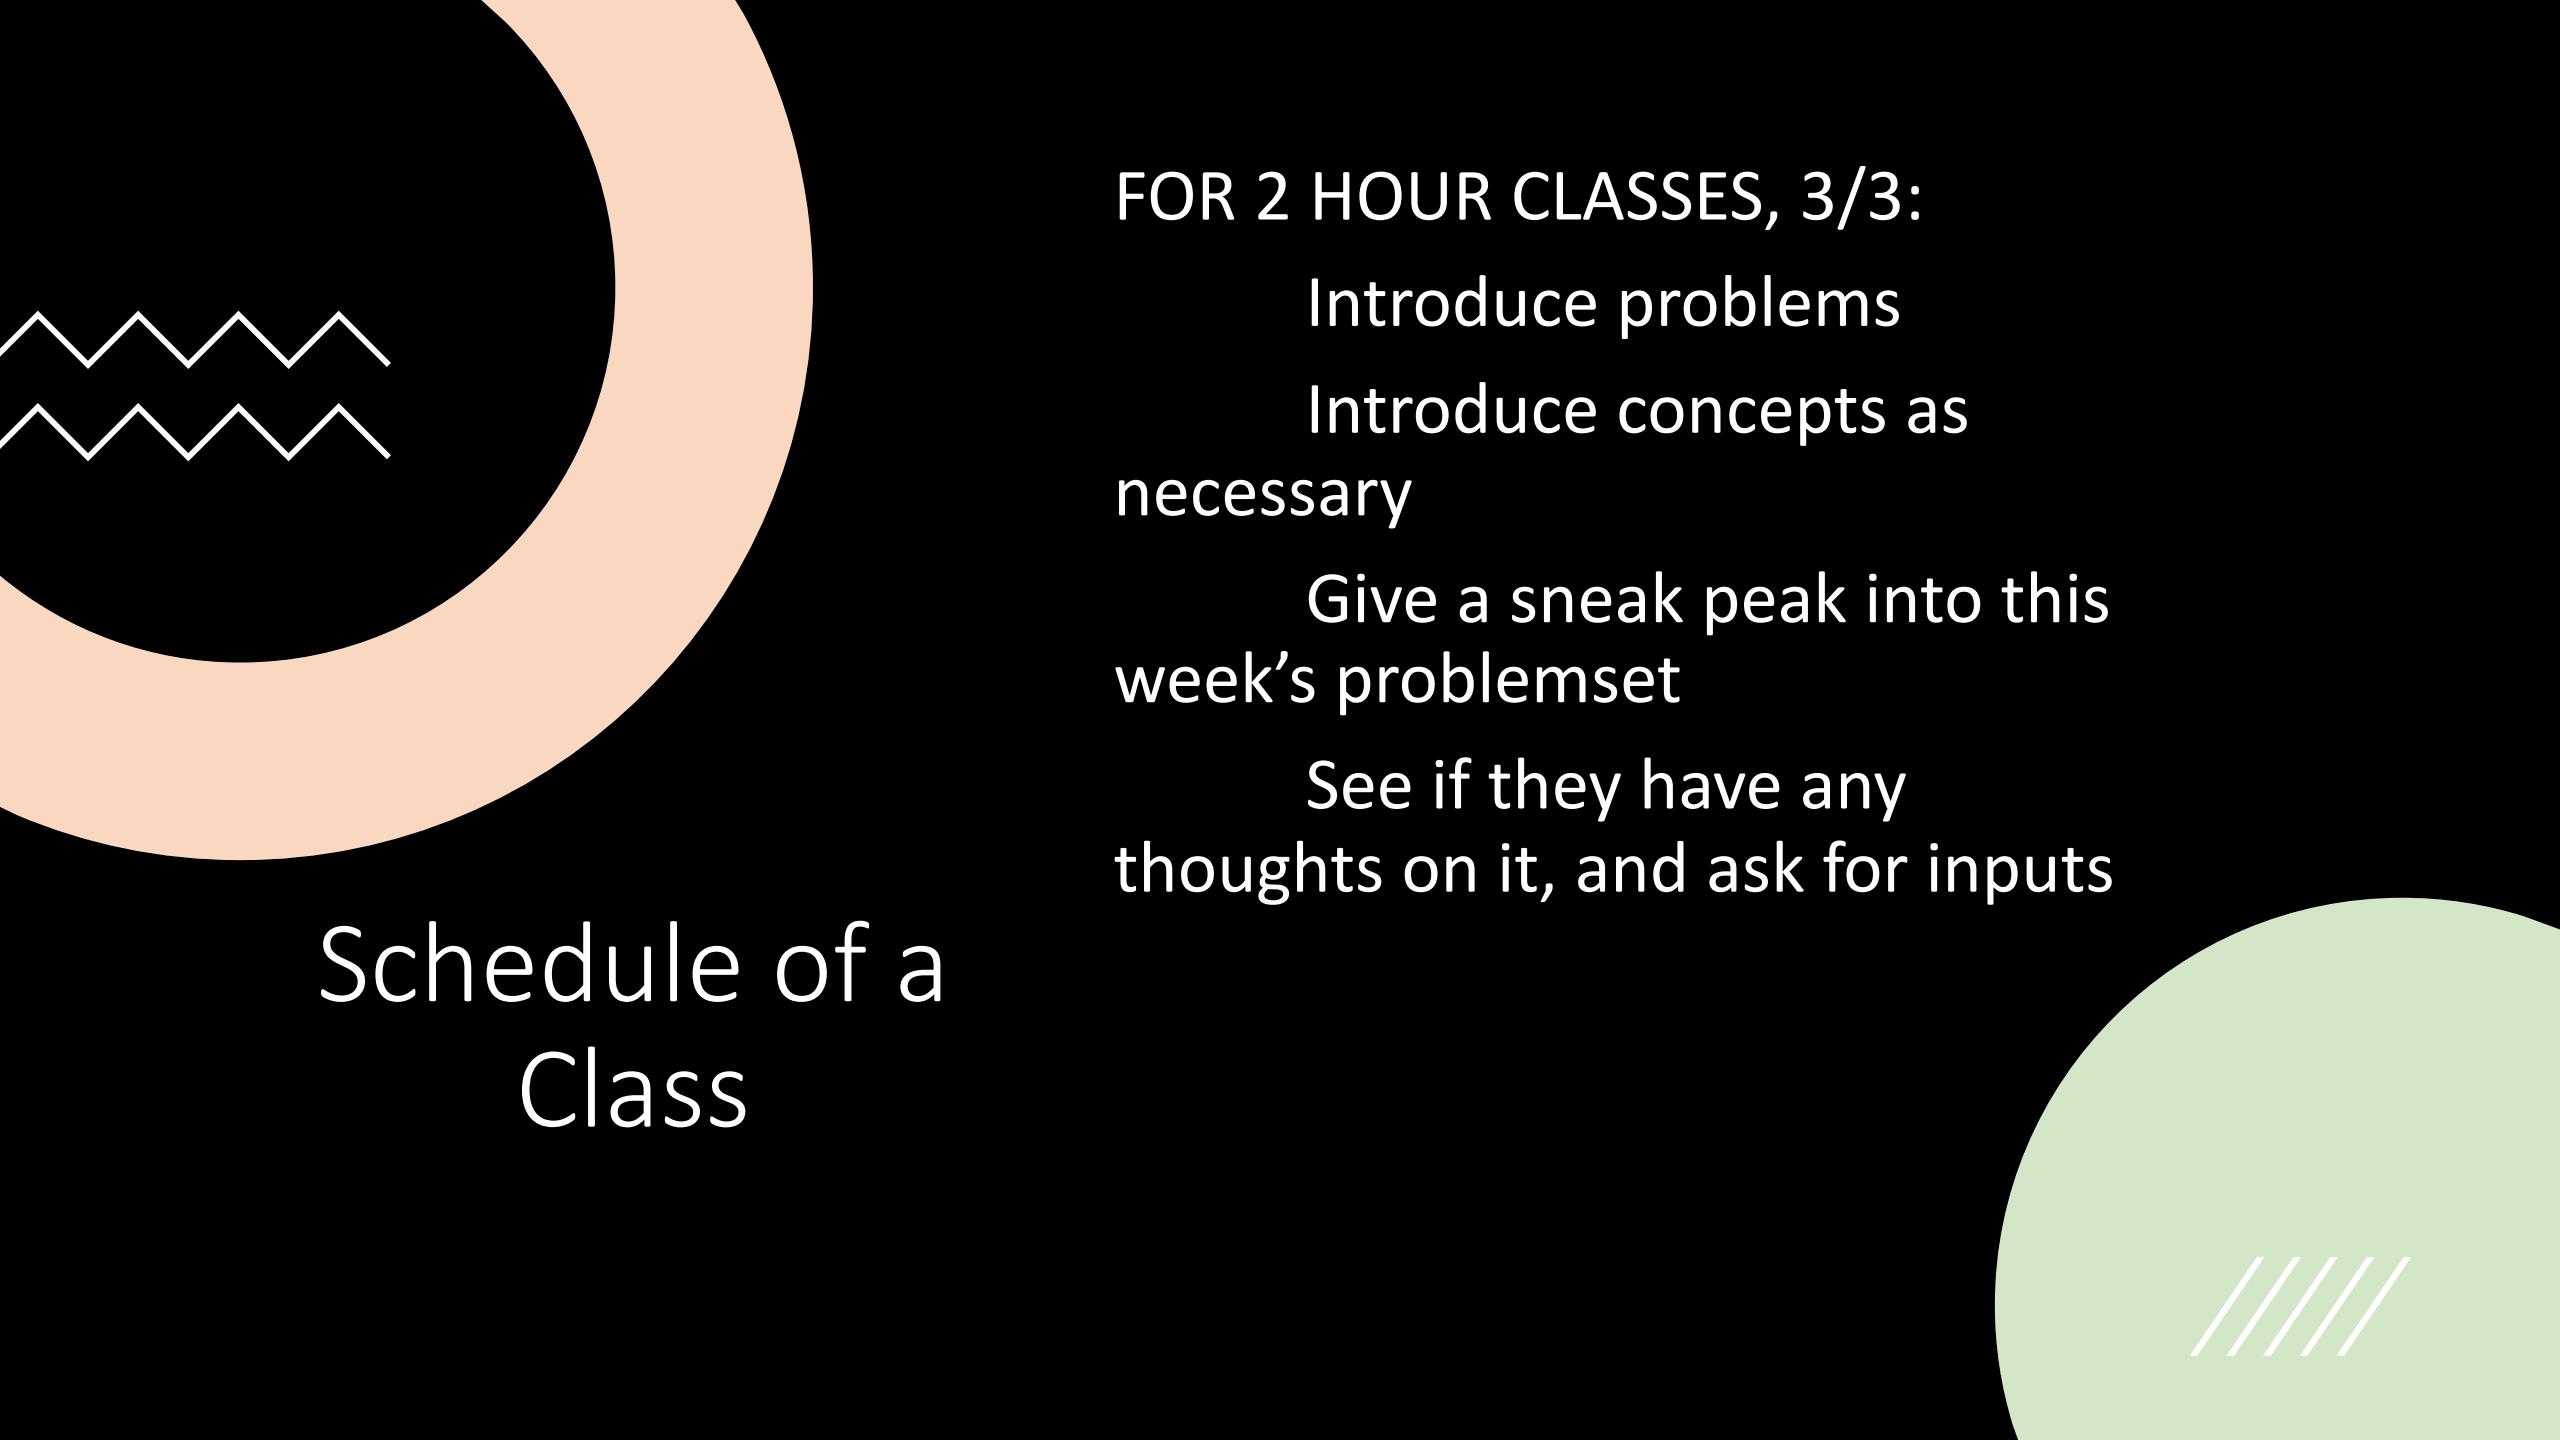

Go over the problems they
missed

Teach concepts as necessary

Always ask the student if
they have any questions

Probably ask every 10
minutes if they're silent

Schedule of a Class

FOR 2 HOUR CLASSES, 3/3:

Introduce problems

Introduce concepts as
necessary

Give a sneak peak into this
week's problemset

See if they have any
thoughts on it, and ask for inputs
